

INMED PROFESSIONAL CERTIFICATE IN

Emergency Pandemic Control

By the authority vested in the Institute for International Medicine and upon recommendation of the faculty of the institute, be it known to all whom these letters may come that

Timothy Myrick

MD, DIMPH

In recognition of skills demonstrated in identifying pandemic agents and effective modalities for prevention, diagnosis, and treatment, with simultaneous attention to ethical challenges, local and international cooperation, and stressed low-resource health infrastructures, has completed and is awarded the INMED Professional Certificate in Emergency Pandemic Control. Witness the signatures hereto affixed this 19th day of September 2020.
