

INMED PROFESSIONAL CERTIFICATE IN

Healthcare for Marginalized Americans

By the authority vested in the Institute for International Medicine and upon recommendation of the faculty of the institute, be it known to all whom these letters may come that

Timothy Myrick

MD, DIMPH

In recognition of skills demonstrated in identifying obstacles and resources influencing healthcare for marginalized Americans, developing effective interventions to improve healthcare outcomes, and addressing improvements in social determinants of health, has completed and is awarded the INMED Professional Certificate in Healthcare for Marginalized Americans. Witness the signatures hereto affixed this 10th day of December 2020.
